## Parking Instructions

### Murchison Performing Arts Center

#### PRIVATE VEHICLE PARKING

Visitors have three options:

- Parking Garage
- Meter
- Visitor Permit

*It is imperative for visitors to arrive early because it takes quite a while to obtain a parking permit and then park.*

**Parking Garages:** Visitors may park at one of the two public parking garages, Highland Street Garage and Union Circle Garage. Garage parking is 2.00 per hour, or 10.00 per day. Visitors may park in the Highland Street Garage to visit the Parking and Transportation Office; parking in the garage is free for 30 minutes or less

**Meters:** Visitors may park at parking meters, which are located on Highland Street and West Sycamore Street. Meter parking is 1.00 per hour, and the meters accept silver coinage. NOTE: The meters located on Fry Street, North of UNT's campus, have a one hour time limit, and are not for student use.

**Visitor Permit:** Visitors need a visitor parking permit to park on campus. Permits may be purchased for \$5 per day at the Parking Office located in the Highland Street Garage on Central Avenue during normal business hours. Visitors may park free in the Highland Street Garage for 30 minutes or less, to visit the Parking and Transportation Office. After hours, visitor passes may only be obtained at the Sullivan Public Safety Center on Wilshire Street. A Visitor(s) is any individual(s) who are not Students, Faculty, or Staff.

Visitor permits may also be purchased in advance at: [UNT Parking Services](http://www.unt.edu/transit/visitor_info.html)
